Arthur Nelson
Executive Director, Board of Fisheries
AK Department of Fish and Game

Dear Art,

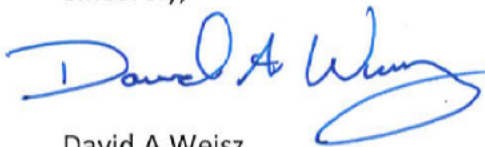

I am writing this letter to tender my resignation from the Board of Fish, effective Nov. 1, 2022.

This was not an easy decision, however considering my personal circumstances and the time allocation required to do the job properly, it has become necessary for me to resign from the Board of Fish.

I sincerely appreciate the opportunity, and apologize for any issues associated with this immediate resignation.

It was an Honor to be part of this Board, and I appreciate your understanding with this matter.

Sincerely,

David A Weisz
